Learn the Vending Industry : Get Paid

What it Is

The Turn the Key to Success program was developed as a sister-program to our vanguard offering Pave the Path to Success. We partnered with this program to teach the vending machine business, after which graduates are eligible to take over as Owner Operator of their training-routes, become their own boss, and start earning from their very first day.

Who it's For

The Turn the Key to Success program provides accessible education & strong support community. The program itself is based on real world experience & hands-on learning. Participants are paired with a Mentor for one of the two weekly meetings. This fosters a positive network & accountability, which has shown to be a key factor in continued success rates.

What it Covers

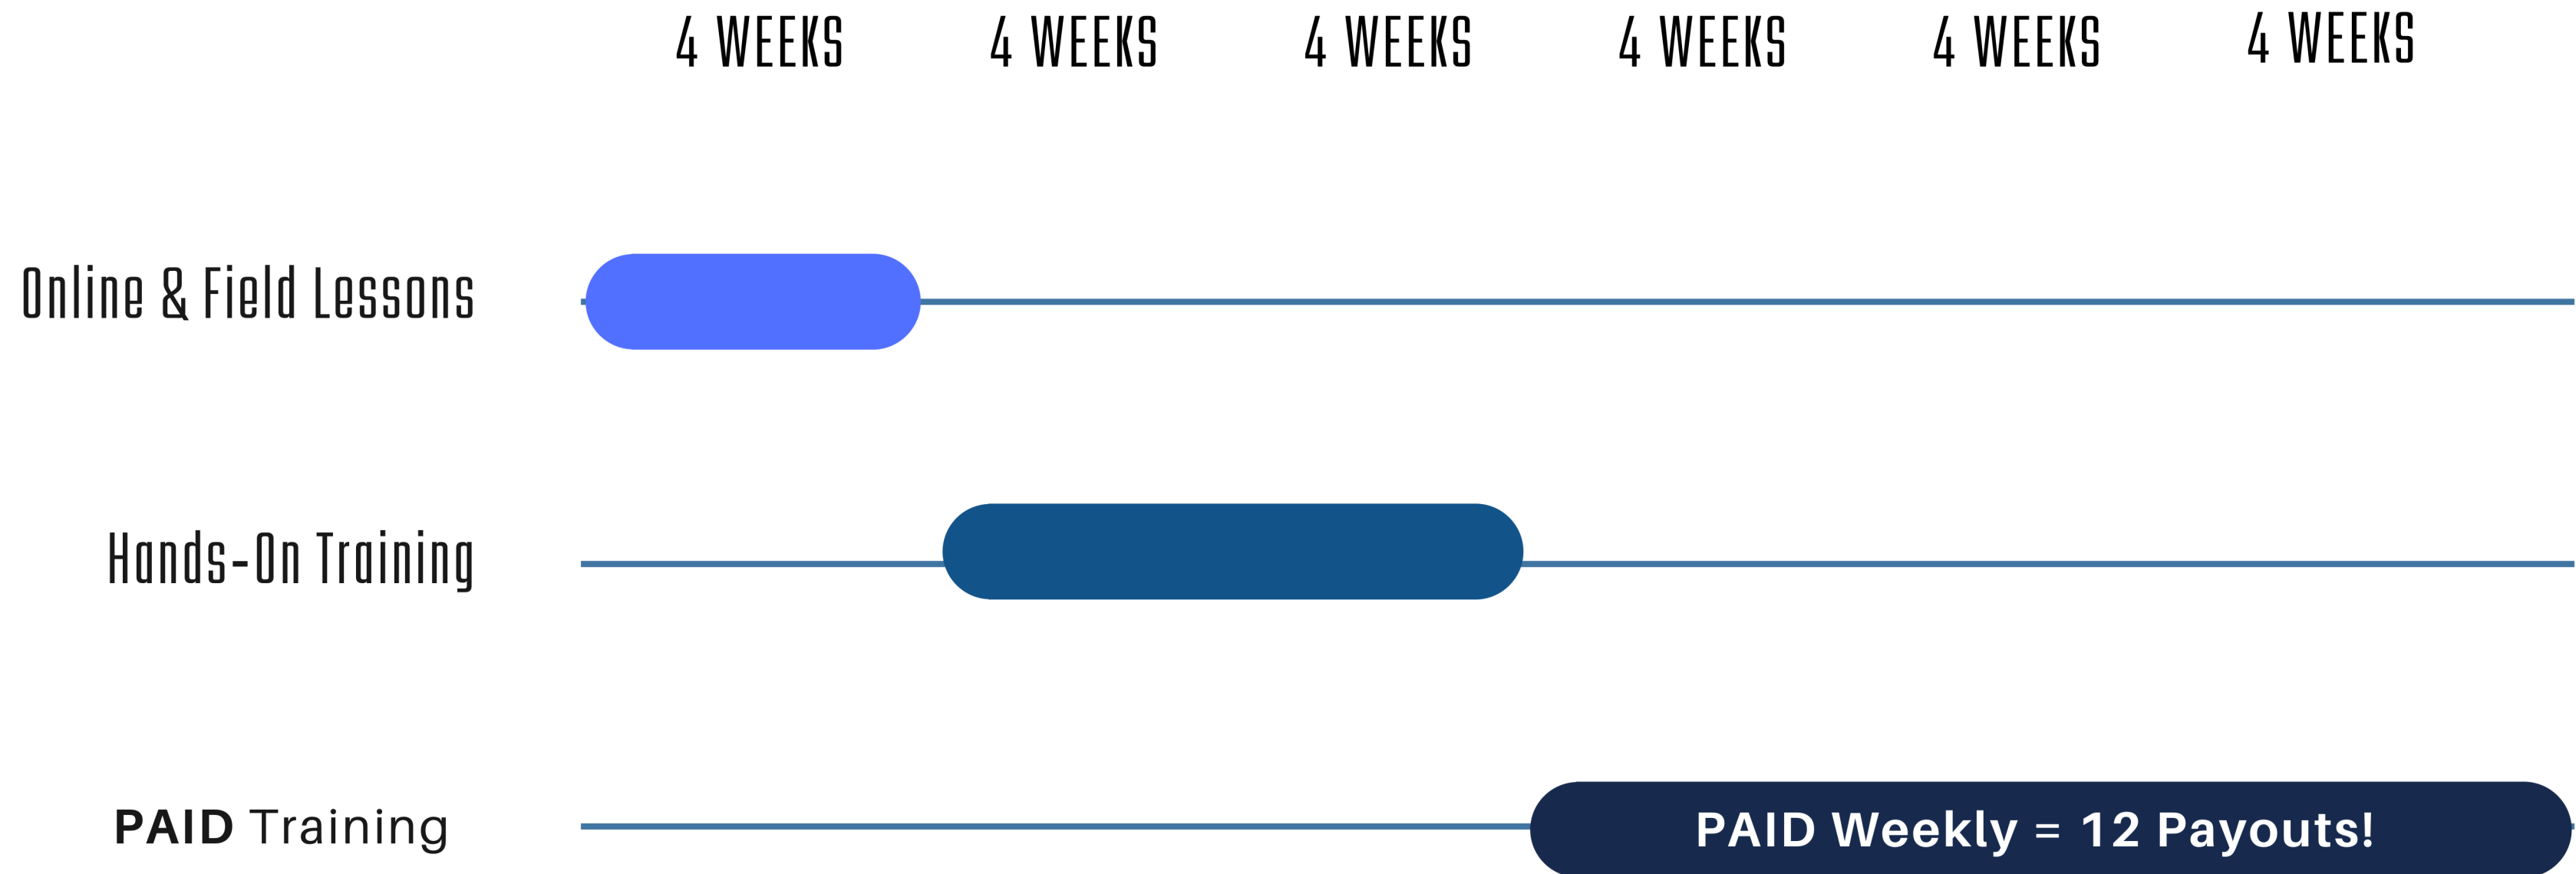

This Turn the Key to Success program covers entrepreneurship with a focus on learning the vending machine business. Program elements include Standard Operating Procedures & Best Practices, Prioritizing Success, Personal Branding, Productivity Hacks. As well as hands-on training of the daily operations of their own local training-route.

How it Works

Applications are available on our website for 18y+ US Citizens able to commit to the twice-weekly meetings for a duration of the full 24-week program, including **12 weeks of paid training**. We have a variety of payment plans to fit every budget. At graduation you are able to take over as Owner Operator of the same training-route you've been learning.

Freedom Vending Entrepreneurship Course Timeline

The course portion of this program is 12 weeks long and will be mix of twice-weekly online and in-person meetings. After this time 12 weeks will be devoted to on the job training in which **participants will earn an income** directly from their training-route.

AFTER GRADUATION:

- Easy entry to entrepreneurship
- Set your own hours
- Decide how fast to scale your business
- Decide how big to scale your business
- Own 100% profits and 100% success
- Start earning from Day 1!

*Participants must be 18 years of age or older & local to Branson, Springfield, & surrounding areas.

12

"The sooner you LEARN, the sooner you EARN." This is why our program is concentrated a **12 week course of online & field lessons**, with twice weekly meetings.

12

The final portion of the program involves **12 paid weeks**, learning how to operate your training-route. At graduation you can take over as Owner Operator.

The Turn the Key to Success is a program developed in partnership with the Head Boss* In Charge Foundation. This program is available to American citizens of or above the age of 18th and currently residing in Branson, Springfield, or the Ozark/Nixa area.

Growth Process

Training

Your training-route is the location where our machine is placed. You will learn how to operate your training-route as you learn the full course.

Take Over

After graduation you will be able to take over as Owner Operator. We will partner with you for financing, you'd pay \$0 down & 0% APR for each machine.

Scale Up

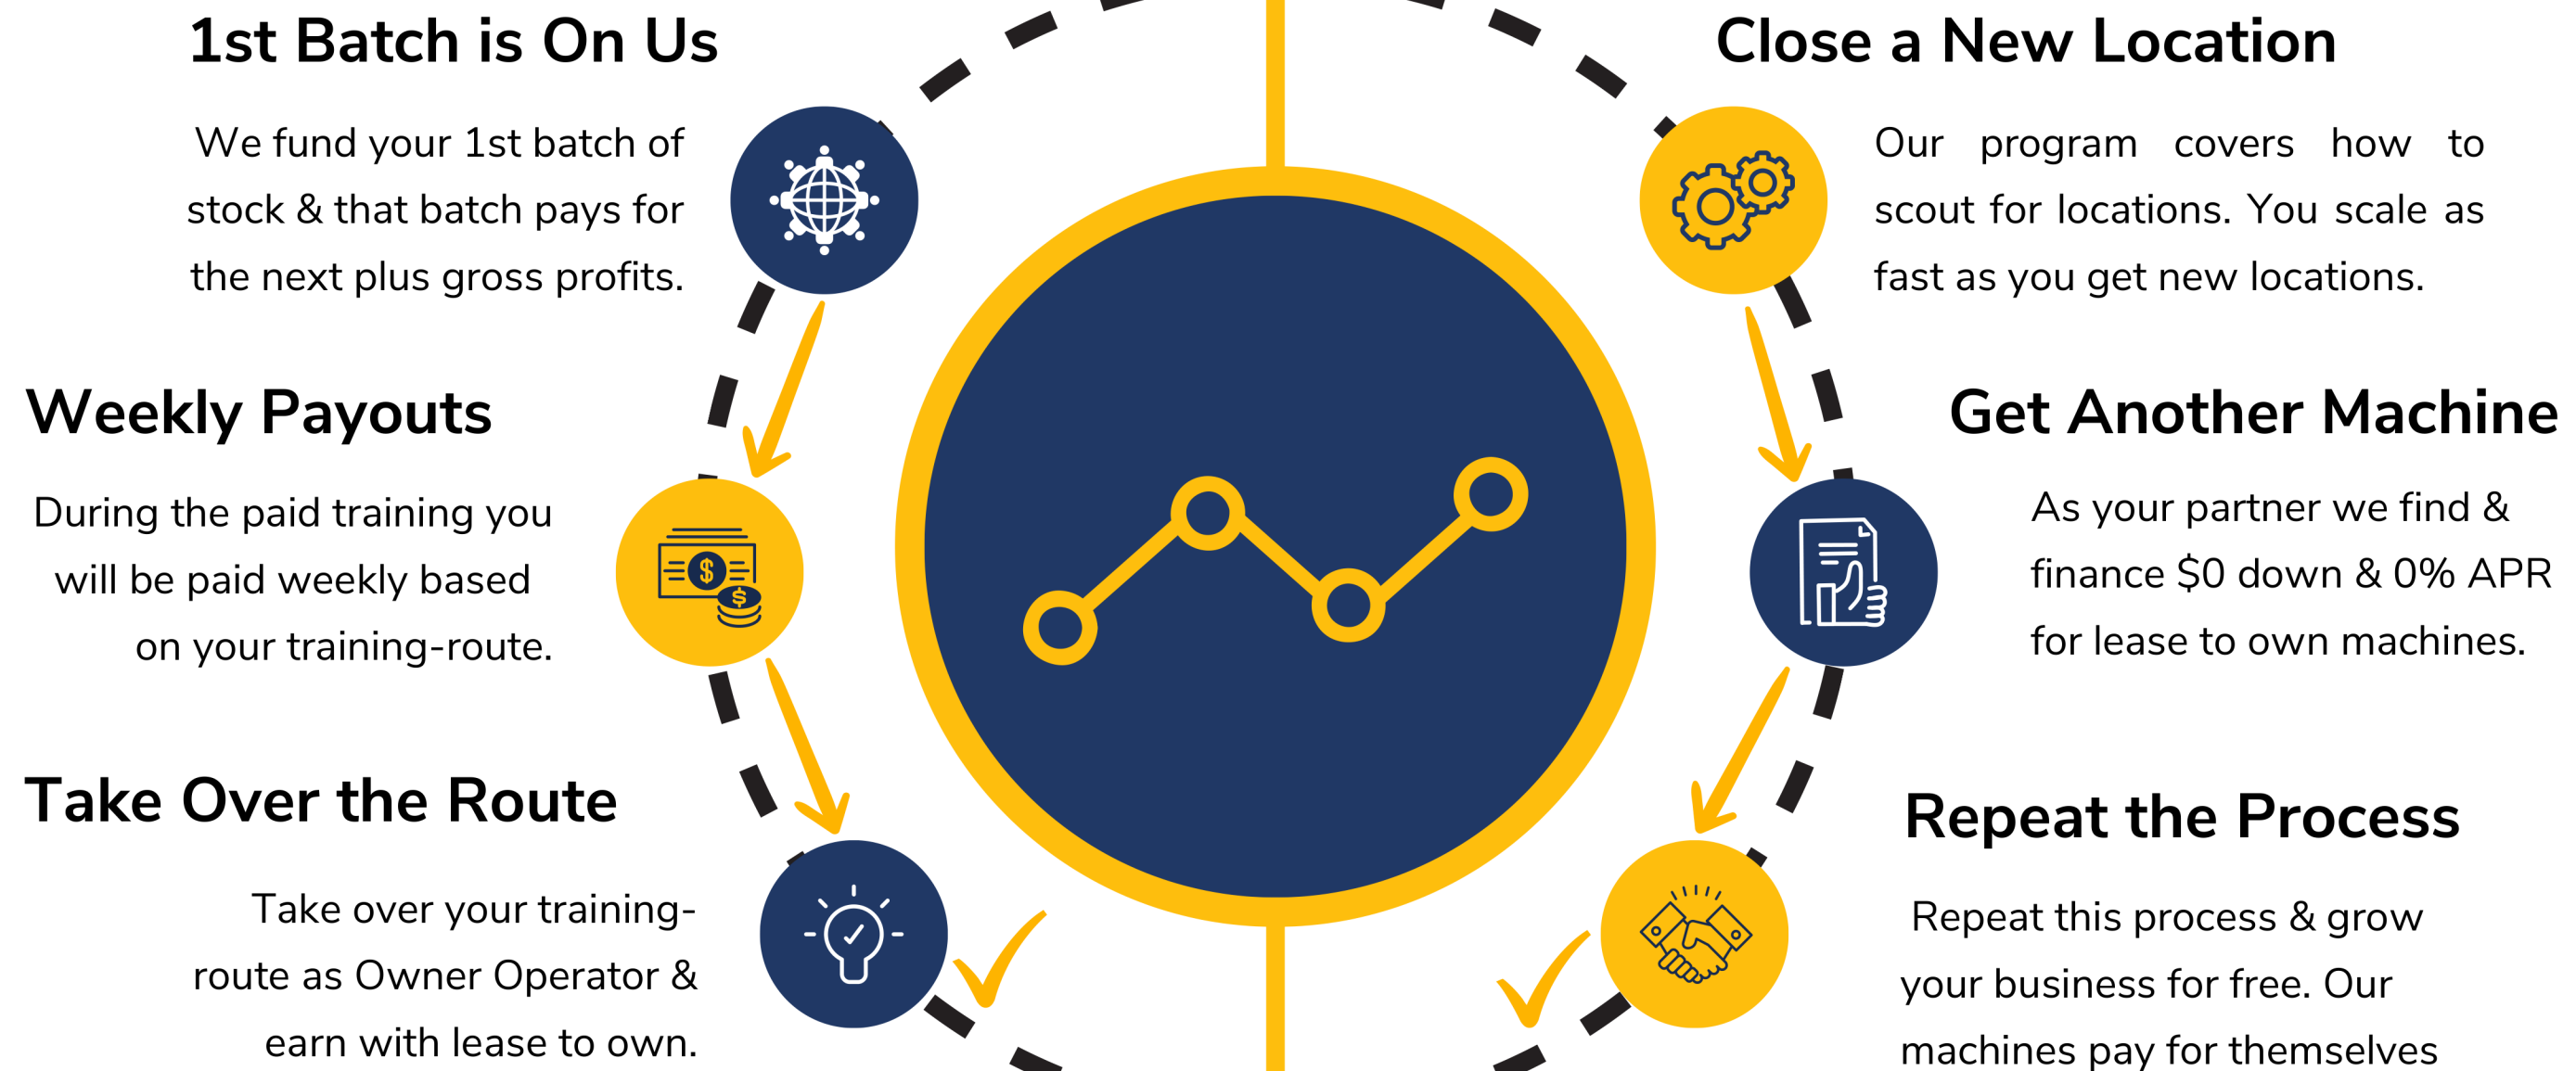

For every location you close, you can lease another machine at no cost to you through our partnership. We honor your \$0 down & 0% APR investment.

When you realize that you can make your first machine pay for your next three machines, scaling your vending business is only as limited as your ambition.
